

Firebox Panel Options

The foundation for your fireplace design

MANHATTAN BRICK PANELS

Experience the truly traditional look of a masonry hearth with beige brick in a full stacked pattern.

Available on TC30, TC36, TC36 Arch, TC36 See-Thru, TC 42 and TC54 models.

PARK AVENUE BRICK PANELS

Achieve a formally elegant look with traditional beige brick panels in a full herringbone pattern.

Available on TC30, TC36, TC36 Arch, TC36 See-Thru, TC 42 and TC54 models.

MOUNT VERNON BRICK PANELS

Wrap your fire in a warm russet glow with a traditional full herringbone pattern in a classic Heritage Red.

Available on TC30, TC36, TC36 Arch, TC36 See-Thru, TC 42 and TC54 models.

MILAN PANELS

Subtle nuances of hand crafted plaster recreate the warm tones and textures of adobe plaster - the perfect neutral look for a casual lifestyle or more elaborate fireplace facings.

Available on TC30, TC36, TC36 Arch, TC36 See-Thru and TC 42 models.

BLACK PORCELAIN PANELS

Create the ultimate clean, contemporary look and enjoy huge flames amplified by the polished finish of Black Porcelain panels.

Available on TC30, TC36, TC36 Arch, TC36 See-Thru, TC 42, TC54, WS38 Wide Screen and WS54 Wide Screen models.

COFFEE BEAN BROWN PORCELAIN PANELS

Enhance the look and feel of your fire with the rich, reflective earth-tones of these clean and modern panels.

Available on TC30, TC36, TC36 Arch, TC36 See-Thru, TC 42, TC54, WS38 Wide Screen and WS54 Wide Screen models.

TITANIUM PORCELAIN PANELS

Present a sleek, clean and modern style – the definitive mood of urban contemporary design.

Available on WS38 Wide Screen and WS54 Wide Screen models only.

COPPER PORCELAIN PANELS

Enjoy warmth and modernity together with the natural beauty of metallic copper.

Available on WS38 Wide Screen and WS54 Wide Screen models only.
